

# SCE and RMEA JOINT RATE COMPARISONS

As part of our mutual commitment to better serve customers, Southern California Edison (SCE) and Rancho Mirage Energy Authority (RMEA) have jointly created a comparison of our common electric rates, average monthly charges, and generation portfolio contents. To find your specific electric rate, please scroll down. If you are not sure about your specific electric rate, this information can be found on the detailed page of your bill directly beneath the heading that reads "Details of your new charges."

If you have further questions please contact Rancho Mirage Energy Authority at [RanchoMirageEnergy.org](http://RanchoMirageEnergy.org) or (760) 578-6092 and SCE at [sce.com/cca](http://sce.com/cca) or (800) 974 -2356.

## Definitions

**Generation Rate** reflects the cost of producing or purchasing electricity to power your home. This rate depends on usage, and will vary depending on your service provider and rate plan.

**SCE Delivery Rate** is a charge assessed by SCE to deliver electricity to your home. This rate depends on usage.

**Surcharges** represents the Cost Responsibility Surcharge (CRS) and Franchise Fee (FF) that are applicable to Community Choice Aggregation (CCA) customers and SCE customers that elect a Green Rate. The CRS is a surcharge to recover costs associated with power purchases made on behalf of customers prior to a customer's switch to a CCA or SCE Green Rate. The FF recovers taxes owed to a city in exchange for allowing SCE to utilize electrical distribution lines throughout the property of the city. SCE acts as the collection agency for the FF surcharge which is levied by cities and counties for all customers.

All rate comparisons are calculated using 2019 climate zone data within SCE's Baseline Region 15 (includes the City of Rancho Mirage) utilizing SCE's published rates as of June 1, 2021 and RMEA's published rates as of April 1, 2021.
